McKee**

Dear Matt McKee

In your email dated 01.14.2022, you requested the following items:

All communications including other "writings" as defined by RCW 42.56.010 including text messages from school board directors West, Wimberley, Glover, Krishnadasan, and Olson, and from superintendent Bahr, and from Jennifer Butler containing the words "Vaccine", and/or "COVID", and/or "COVID-19", and/or "Clinic" from August 1, 2021 to December 11, 2021.

While I believe this request is clear, as the statute requires, please construe this request liberally. If

The district has interpreted this to mean providing you any and all emails and text messages to and from the named individuals retained by Peninsula SD from 9.1.2021 to 12.11.2021 that contain those key words.
