Do you need any other information regarding this request (#6) or can we consider it closed?

Thank you

I want to acknowledge that this is the second time you have asked for clarification and want to apologize for not getting back to you sooner on this.

I am trying to figure out if there is a relationship between the district receiving ESSER funds and the districts compliance to Board of Health and/or OSPI COVID protocols. Was the receipt of ESSER funds tied to compliance with BOH and/or OSPI covid protocols such as mask mandates and/or on campus COVID-19 vaccine clinics.
