**Re: 1.27.2022 Public Records Request
McKee 5**

Dear Matt McKee

In your email dated 01.27.2022, you requested the following items:

All communications including other "writings" as defined by RCW 42.56.010 including text messages from school board directors West, Wimberley, Glover, Krishnadasan, Butler, and Olson, and/or from superintendent Bahr containing the words "Resolution" and/or "Resolutions" from June 1, 2021 to January 26, 2022.

The district has interpreted this to mean providing you any and all emails and text messages to and from the named individuals retained by Peninsula SD from 6.1.2021 to 1.26.2022 that contain those key words.

The requested search produced 257 probable documents that will need to be reviewed. Pursuant to RCW 42.56.520, the Peninsula School District is providing you with notice that it needs additional time to complete your request. The additional time is necessary to locate and assemble the materials requested and to determine whether any of the documents are exempt from disclosure or require redaction.

We will strive to provide any relevant items to you by or before February 28th, 2022.

Sincerely,

Sara Hoover
Peninsula School District
